

## **NATUROPATHIC CONSULTATION FEES June 2018**

### **SALLY MATHRICK NATUROPATH**

Bach. Nat (SC Uni) Bach. Arts (Uni Melb) DRM(ACNT)  
National Herbalists Association Australia Member 154226  
Member Australasian Society of Lifestyle Medicine

#### **Initial naturopathic consultation - \$160**

75-minute face to face consultation - wholistic assessment of your situation  
Analysis of intake form and diet diary & review of current medications  
Individual report that details your protocol  
Correspondances with your other health practitioners (as required)  
Arrangement of testing and/or ordering supplements as needed

#### **Initial naturopathic consultation - Complex Case - \$220**

90-minute face to face consultation (as initial naturopathic consultation) - A 'complex case' is someone with long term illness/es and is currently on pharmaceutical medicines or treatment plan. This additional charge reflects the additional time required to research the latest data for that specific illness, interactions of drugs and supplements and developing an effective protocol.

#### **Follow up naturopathic consultations - \$100**

45-minute face to face consultation - review of progress and protocol adaptation  
Individual report that details your protocol  
Correspondances with your other health practitioners (if required)  
Arrangement of testing or supplementation as needed  
Extended follow up consultation - 60 minutes - \$125

#### **Express Consultation - \$65**

30-minute face to face consultation to provide naturopathic support for simple (acute) illness

#### **Practice Locations**
